Rosie Roo Designer Wellies

'Abby' wellies, \$150

With the winter downpour we've been experiencing recently, it's high time we splash out on some decent gumboots. Priced from \$90 to \$150, Rosie Roo Designer Wellies are pretty as a picture, and perfect for puddle-jumping. Why ruin your suede boots when these look just as good? Brighten up your life and keep your tootsies high and dry.
